Tell Me the Story of Jesus

For this activity, we have used the "familiar" King James Version of the Bible. If possible, gather up enough copies of the KJV each of for your children to have a copy; you could just copy the passage below and let them use it to fill in the blanks. With older children, you might just read the passage aloud.

*On the Younger Children's page, all the blanks are words that come from the musical; on the Older Children's page, the red blanks are words from the musical. **This activity needs to be done with the younger and older children separately; don't try to do it with everyone together!***
